

Corvettes and Caffeine December 1st, 2012

It was another 'Great' time at Corvettes and Caffeine on Saturday, December 1st! 108 Corvettes, over 200 cups of coffee, 10 dozen donuts and 3 dozen bagels! The Popcorn Machine was emptied 4 times!! The weather was perfect and we had more C1's, C2's and C3's for everyone to enjoy.

This month, the Arizona Chapter of the Solid Axle Corvette Club, SACC, held their monthly 'Safety' meeting, concurrently with Corvettes and Caffeine! We were able to put 14 fantastic C1's on the patio and we will be posting photos on our FB page 'ASAP'. Having a C1 on our lift allowed the SACC members to see first hand the various safety areas and judging points on the chassis, etc.

Thanks to Garry Mion and John Marsh and all the SACC members for their support.

PS...How can you have 14 Corvettes, each one over 50 years old, and not have a single oil leak on the patio!?! Wow, tribute to Great Cars 'and' Great Owners!!

Also, starting this month, all 'participants', were asked to vote for their favorite Corvette!! The owner with the most votes would receive one of our CPAZ Margarita Party Balls 'and' a \$50.00 CPAZ 'Gift Card'! NO, we did not get a 108 vote tie for 1st Place!! We did have a tie, with the most votes going to Dave Eicher, PC #100006 with his great 1965 Blue Roadster and Joe Stout PC#100929, with his '08 Pace Car. Both of these participants will receive the Party Ball and a \$50.00 Gift Card!!

Shoobox Swap Meet

We are seeing more and more used parts at our 'Shoobox Swap Meet'! This is a great opportunity to turn some of those old parts or collectibles into cash for the holidays or for your latest project. If it fits in your Corvette, bring it along to sell.

RSVP Info

As the attendance increases, it is more important for you to 'RSVP'!! We base our Coffee and Donut/Bagel count (+/-), on the number of RSVP's We want to make sure everyone has a good time and there is enough Coffee and snacks for everyone!!

Our next Corvettes and Caffeine is Saturday, January 4th. Regular start time, 7:00am. Please RSVP on our website, www.CorvettesandCaffeine.com Click on the RSVP link on the blue bar, pick a date, fill in the info and send. We we will save a donut for you!!

The next-gen 'Vette will be all-new inside and out and just two parts from the current C6 Corvette will be carried over to the 2014 model: the cabin air filter and the rear latch that holds the removable roof panel on. Even the car's emblem has been given a 'make over' before it is affixed to the next generation of the iconic sports car.

While the pic's in the article are 'renderings, it is possible very close to the new design. Several new 'Teasers' have been released, including one of the new 'Digital' dash. See out December Newsletter for more 'updates'!

FaceBook Page

We have posted more pic's of our events on our FaceBook page. We are also linking them to our Corvettes and Caffeine website as well. Bu sure to follow our events and 'Like' us on FB. <http://www.facebook.com/pages/Corvette-Performance-Arizona/122484417804604>

New Battery Vendor!!

We would like to thank John Newpher for attending Corvettes and Caffeine, displaying our newest product line, DeKa Batteries. While a 'complete' battery line is offered and available, we will be focusing on the GM applications, primarily Corvette Group sizes, with emphasis on the AGM 'Gel' Batteries. These batteries are a replacement and 'Upgrade', from our previous Gel Batteries by AC Delco and Optima. The DeKa Batteries feature the traditional case design and are 'ProRated', with a 2 Year Free Replacement.

Special Thanks !!

Every month, Ruth and Shelley, from New York Bagels and Bialys, supply us with our fantastic bagels. Delivered 'Hot and Fresh', they are a highlight of our Corvettes and Caffeine.
